**Hebrews 11.23**

A wide-angle photograph of a vast, flat landscape covered in cracked, frozen earth. The ground is a mix of light and dark blue tones, with a network of dark, branching cracks. In the distance, a thin line of land is visible under a sky filled with heavy, dark clouds. A bright light source, likely the sun, is positioned low on the horizon, creating a strong glow and casting long, soft shadows. The overall mood is one of desolation and awe.

## Romans 12 New Living Translation (NLT)

### A Living Sacrifice to God

**12** And so, dear brothers and sisters, I plead with you to give your bodies to God because of all he has done for you. Let them be a living and holy sacrifice—the kind he will find acceptable. This is truly the way to worship him. <sup>2</sup> Don't copy the behaviour and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which is good and pleasing and perfect.
