

A large, full-canopied tree with dense green foliage stands on a grassy hill. The sky is a vibrant blue with wispy white clouds. The text 'The Ecosystem of God's Kingdom' is written in a white, cursive font across the middle of the tree's canopy.

The Ecosystem of God's Kingdom

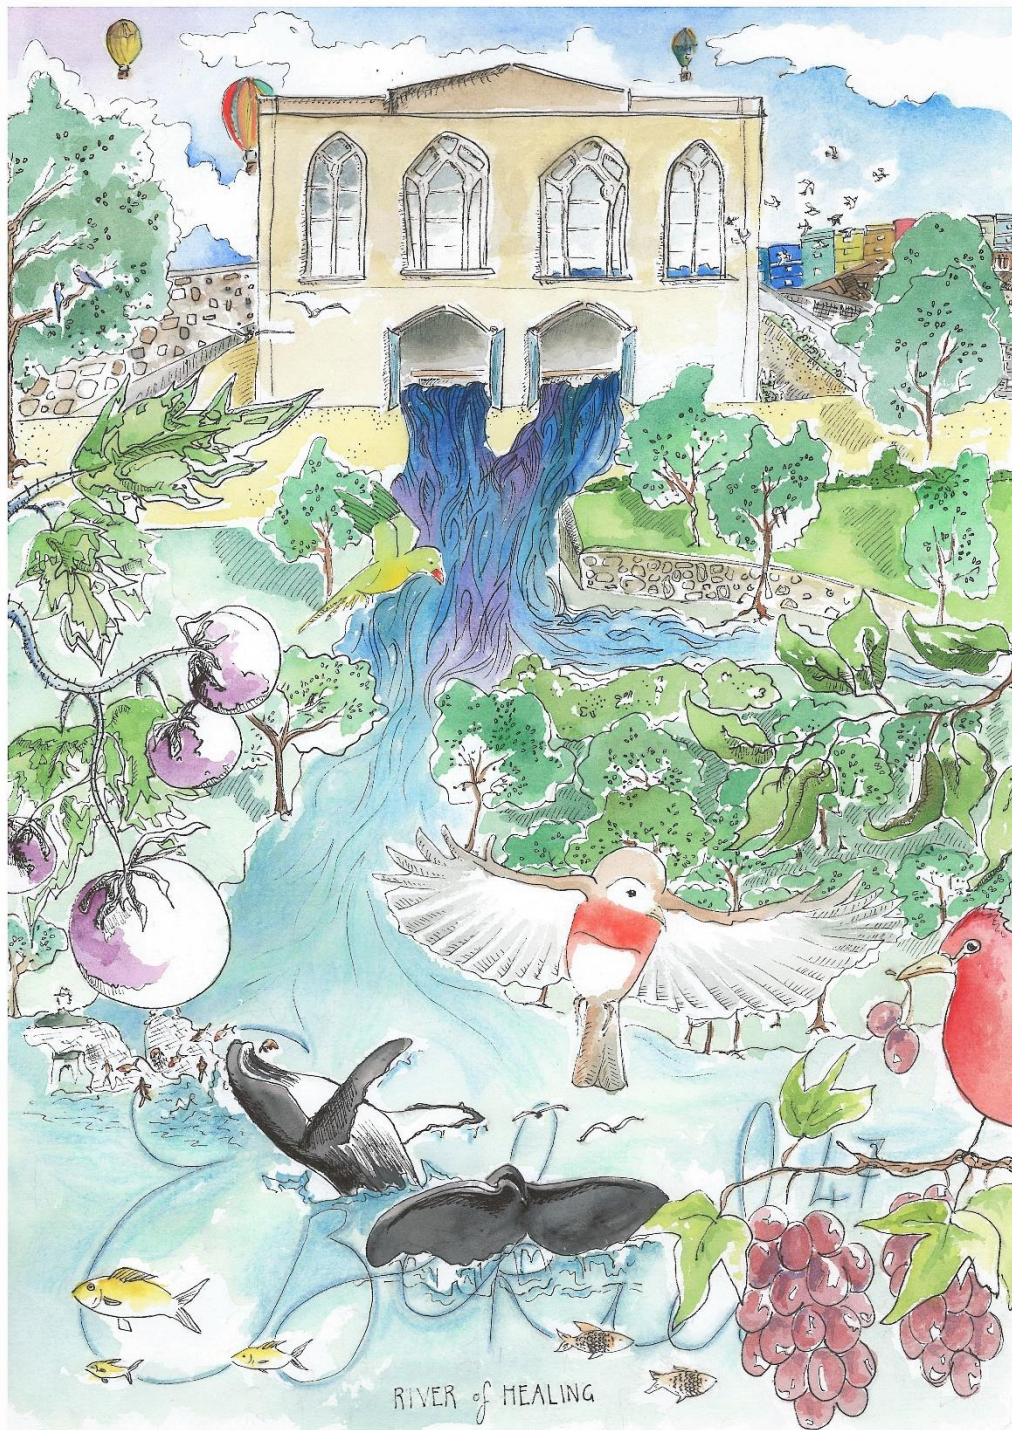

HOPE CHAPEL

An ecosystem is a geographic area where plants, animals, and other organisms, as well as weather & landscape, work together to form a bubble of life

RIVER of HEALING

A large, mature tree with thick, dark branches dominates the left side of the frame. Sunlight filters through the dense canopy of green and yellowing leaves, creating a bright, golden glow. The ground is covered in a thick layer of fallen autumn leaves in shades of orange, red, and yellow. The overall atmosphere is peaceful and serene, suggesting a late autumn or early winter setting.
